

Strategy Call

\$500

60-Minute GRC Consultation

\$4.88M

Average cost of
a data breach

67%

Of deals lost due to
missing SOC 2

\$50K+

Typical cost of
a failed audit

6-12 mo

Average time to
achieve compliance

A focused, one-on-one session to tackle your most pressing governance, risk, or compliance challenge. Whether you're preparing for your first audit, evaluating frameworks, or need expert guidance on a specific issue — this call gives you direct access to 20+ years of GRC experience.

What's Included

- ✓ **Pre-Call Questionnaire**
Sent before our session so we can hit the ground running
- ✓ **60-Minute Live Session**
Screen share, Q&A, and real-time problem solving
- ✓ **Written Summary**
Key findings and recommendations delivered within 48 hours

What You'll Walk Away With

- Clarity on which frameworks or requirements apply to your situation
- Honest assessment of your current gaps and readiness
- Prioritized action items you can start on immediately
- Clear understanding of effort, timeline, and investment required
- \$500 fee applied as credit toward any engagement package

Ideal For

- Companies facing their first SOC 2 or compliance audit
- Security leaders evaluating framework options (NIST, ISO, CMMC)
- Organizations responding to customer security questionnaires
- Teams needing expert validation of their compliance approach
