

# vCISO Advisory

\$3,000/mo

## Fractional Security Leadership

**\$400K+**

Average CISO  
salary + benefits

**68%**

Of SMBs lack dedicated  
security leadership

**2-3x**

Faster compliance  
with expert guidance

**24/7**

Security leadership  
without the overhead

Executive-level security leadership without the full-time cost. Get a seasoned GRC professional in your corner — advising on strategy, managing compliance initiatives, and providing the expertise your team needs to mature your security program.

### What's Included

#### Monthly Strategy Sessions

Regular check-ins to align security with business objectives

#### Compliance Program Oversight

Ongoing guidance for SOC 2, ISO, CMMC, and other frameworks

#### Board & Executive Support

Security reporting, risk communication, and stakeholder updates

#### Vendor & Tool Evaluation

Expert guidance on security investments and partnerships

### What You'll Walk Away With

- Strategic security leadership aligned with business goals
- Consistent progress on compliance and risk initiatives
- Executive-ready reporting and board communication
- Reduced risk of costly security missteps
- A trusted advisor on call when issues arise

#### Ideal For

- Growing companies without a full-time security executive
- Organizations needing interim leadership during CISO transitions
- Teams that need strategic direction, not just tactical execution
- Businesses facing increased security scrutiny from customers or investors
